*In 480 voor Christus is Koning Darius die Grote die
hoof & bevelvoerder van die wêreld heersers
Persië met die grootste sterkste weermag op
aarde.*

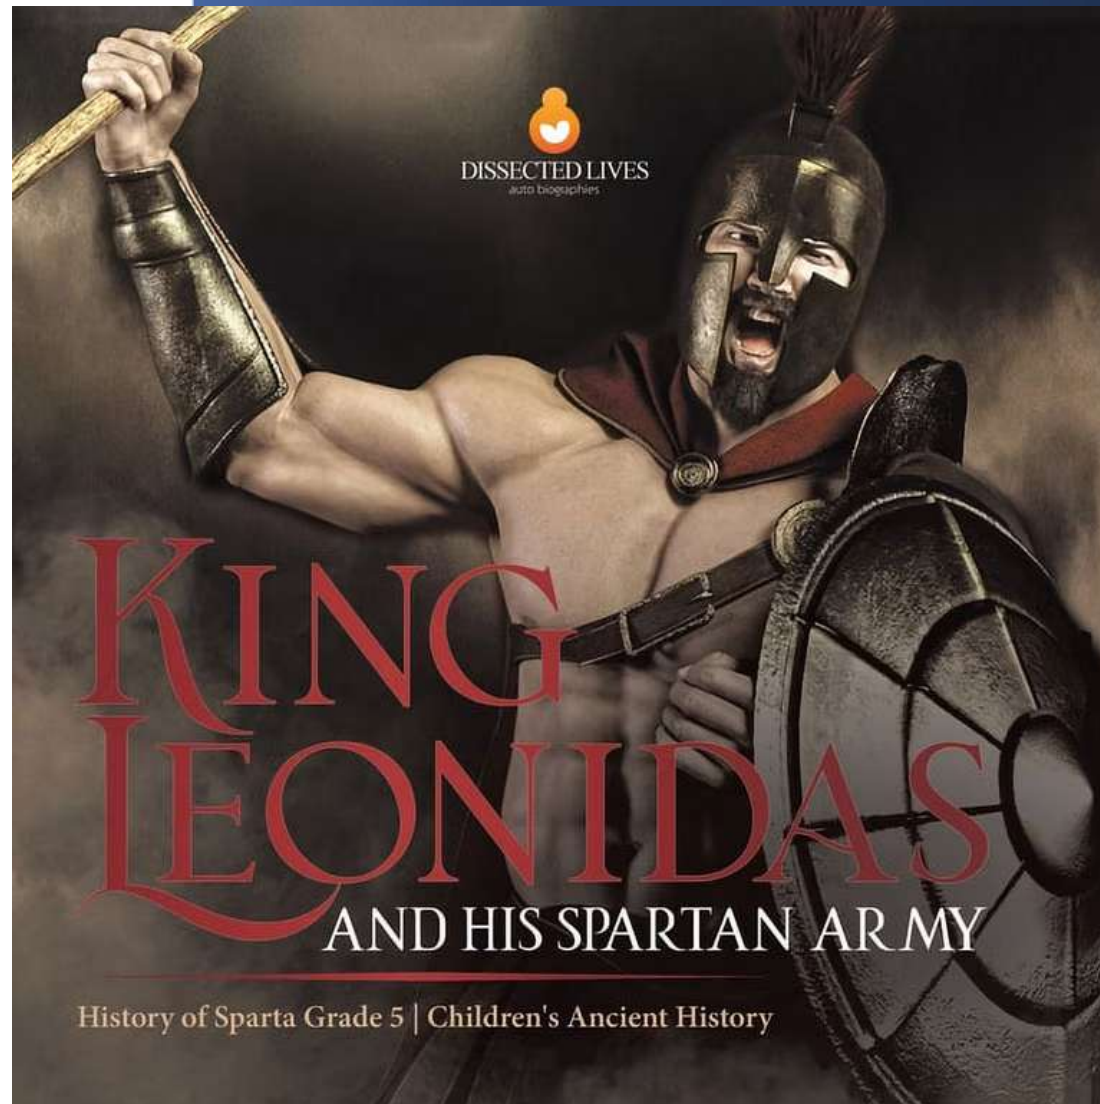

In 'n magtige en spoedige verowering beweeg hulle deur hedendaagse Turkye en Klein Asië en kom tot op die grens van Griekeland omtrent 'n honderd jaar voor die lewe en indrukwekkende regering van Alexander die Grote, maar om Griekeland binne te val moet hulle deur die baie nou poort van Thermopylae toegang verkry.

Die Grieke of ook genoem Spartane onder bevel van Koning Leonidas maak hulle gereed vir oorlog & is gestasioneer aan die teenoorgestelde kant van hierdie nou bergpas met die naam van Thermopylae, maar is in 'n belaglike minderheid meer as een tot tien teen die Perse.

History of Sparta Grade 5 | Children's Ancient History

Hierdie uitgesoekte Griekse Spartane van omtrent 300 man veg & weerstaan die Persiese Weermag vir vier volle dae totdat elkeen van hulle sterf behalwe een soldaat...

Die Perse breek dan deur na Griekeland, maar is so verswak deur die verbete stryd teen die Spartane dat hulle die volgende skermutseling verloor & uitgeput terugtrek na hul vorige posisie.

Die enigste oorlewende Spartaanse soldaat is gevange geneem en word nou ondervra deur die Koning van Persië in sy tent. Sy enigste vraag was: Hoekom het julle so heldhaftig geveg vir julle leier, Koning Leonidas?

*Die manskap antwoord toe met die volgende
woorde: Ons Koning bly nie in sy tent terwyl sy
soldate veg in bloed op die slagveld nie.*

Ons Koning sit nie aan vir 'n smaaklike ete terwyl sy manne honger ly en baklei nie. Ons Koning slaap nie terwyl sy manne wakker bly en wagstaan nie.

Ons Koning wen nie die respek en eer van sy soldate deur goud of silwer of vrees nie, maar deur die sweet op sy rug soos hy saam met ons veg, want die Koning is die eerste om die swaarste las op te tel en die laaste om dit neer te sit...

'If your attitude and actions inspire others to dream more, learn more, do more and become more, you are a leader.'

John Quincy Adams

'Leadership is solving problems. The day soldiers stop bringing you their problems is the day you have stopped leading them. They have either lost confidence that you can help or concluded you do not care. Either case is a failure of leadership.'

Colin Powell

'One of the tests of true leadership is the ability to recognize a problem before it becomes an emergency.'

Arnold Glasow

'A good leader is a person who takes a little more than his share of the blame and a little less than his share of the credit.'

John Maxwell

'A cowardly leader is the most dangerous and destructive of all men.'

Stephen King

'The final test of a leader is that he leaves behind him in other men, the conviction and the will to carry on.'

Walter Lippman

‘Vinniger as arende was hulle, sterker as leeus.’

2 Sam 1:23

LEADERSHIP

1 Kor 2:1-4.

*‘En toe ek by julle gekom het, broeders, het ek nie aan julle die **getuienis** van God kom verkondig met **voortreflikheid** van woorde of van wysheid nie, want ek het my voorgeneem om niks anders onder julle te weet nie as Jesus Christus, en Hom as gekruisigde.*

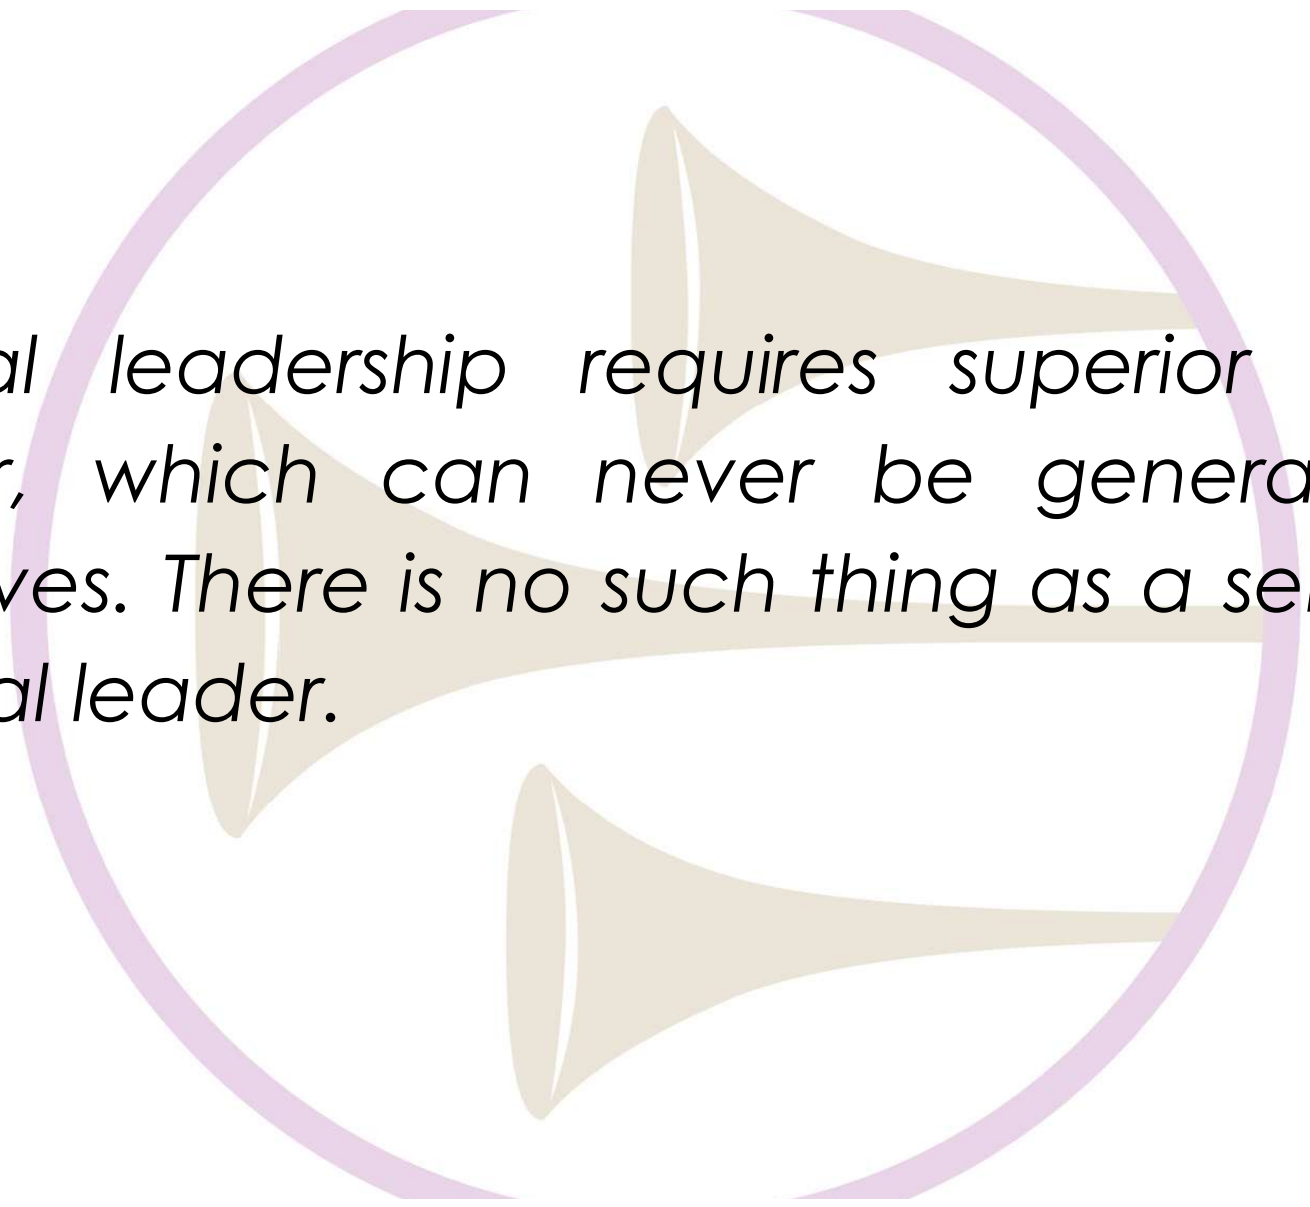

1 Kor 2:1-4.

Ek was ook by julle in swakheid en in vrees en in veel bewing; en my rede en my prediking was nie in oorredende woorde van **menslike wysheid** nie, maar in die **betoning** van **gees** en **krag**, sodat julle geloof nie in **wysheid** van **mense** sou bestaan nie, maar in die **krag** van **God**.'

'Leadership is influence, the ability of one person to influence others to follow his lead. Famous leaders have always known this. The great military leader Bernard Montgomery spoke of leadership in these terms: Leadership is the capacity and will to rally men and woman to a common purpose, and the character which inspires confidence.'

‘Spiritual leadership requires superior spiritual power, which can never be generated by ourselves. There is no such thing as a self-made spiritual leader.

A true and authentic spiritual leader influences others spiritually because the Holy Spirit works in and through that person in a strong flow and great degree precisely to provide leadership.

Hd 6:2-4.

*‘En die twaalf het die menigte van die dissipels
byeengeroep en gesê: Dit is nie reg dat ons die
woord van God nalaat om die tafels te bedien
nie.*

Hd 6:2-4.

‘Kyk dan uit, broeders, na sewe manne uit julle, van **goeie getuienis, vol van die Heilige Gees** en wysheid, wat ons oor hierdie nodige saak kan aanstel; maar ons sal volhard in die gebed en die bediening van die woord.’

DISCIPLINE

A Powerful Response to a Deep-seated Instinct

‘Want God het ons nie ‘n gees van vreesagtigheid gegee nie, maar van krag en liefde en **selfbeheersing.**’ (2 Tim 1:7)

*'For the Spirit God gave us does not make us
timid, but gives us power, love and **self-**
discipline.' (2 Tim 1:7)*

'Motivation starts a job or journey, discipline finishes it.'

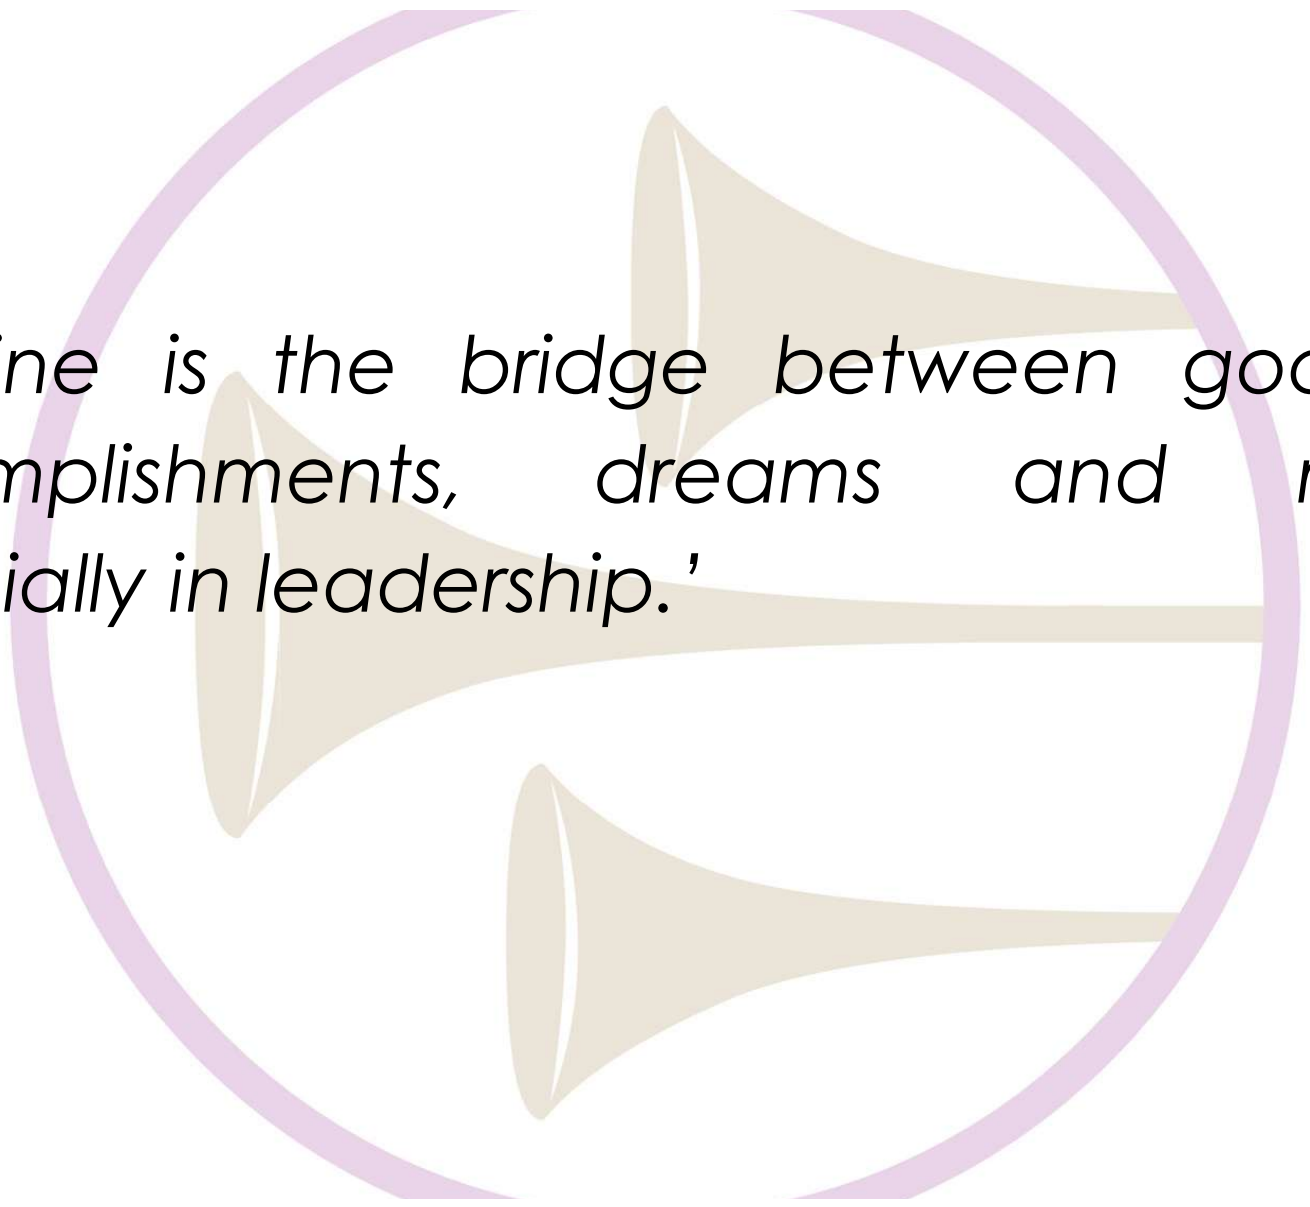

A large, faint background graphic consisting of a light purple circle. Inside this circle are three golden trumpets, similar to the ones in the logo, arranged in a triangular pattern. The text is centered over this graphic.

'Many who drop out of ministry are sufficiently gifted, but have large areas of life floating free from the Holy Spirit's control. Lazy, disorganized and undisciplined people never rise to true leadership.'

*‘Small **disciplines** repeated with consistency every day lead to great achievements gained slowly over time.’*

John Maxwell

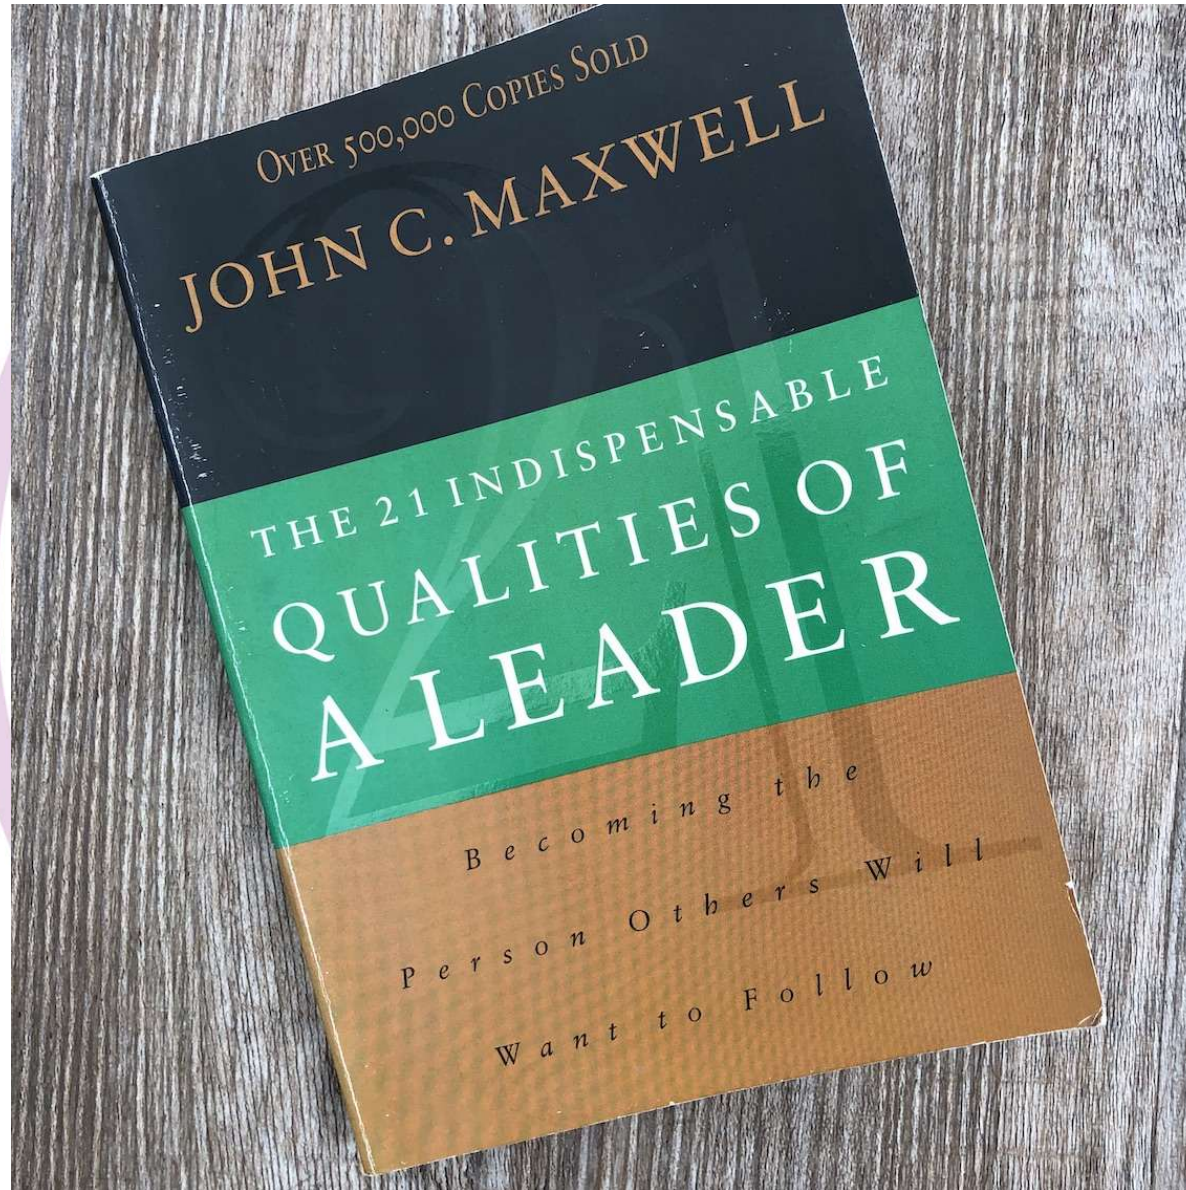

A large, light purple circle serves as a background for the text. Inside this circle are three golden megaphones. One megaphone is positioned at the top, pointing right. Another is on the left, pointing right. The third is at the bottom, pointing right. They are arranged in a triangular pattern.

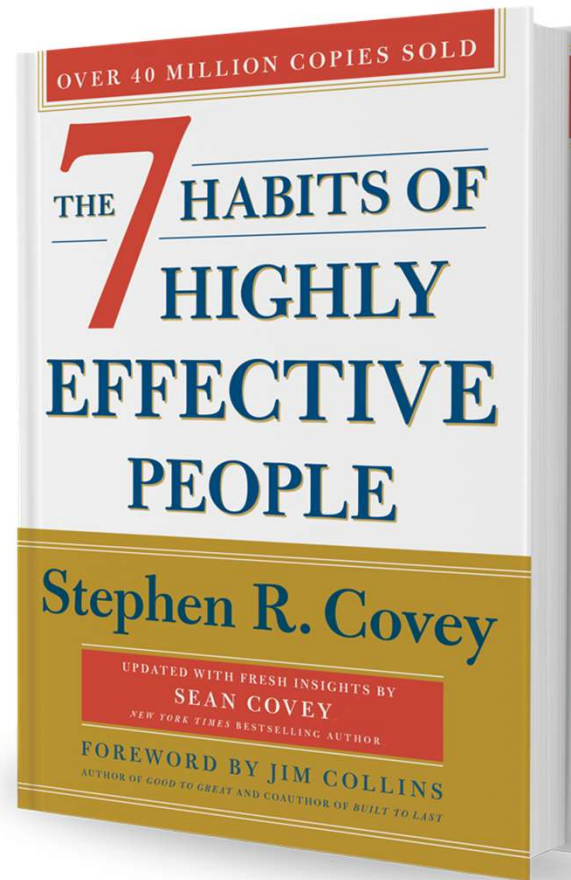

'Discipline is the bridge between goals and accomplishments, dreams and realities, especially in leadership.'

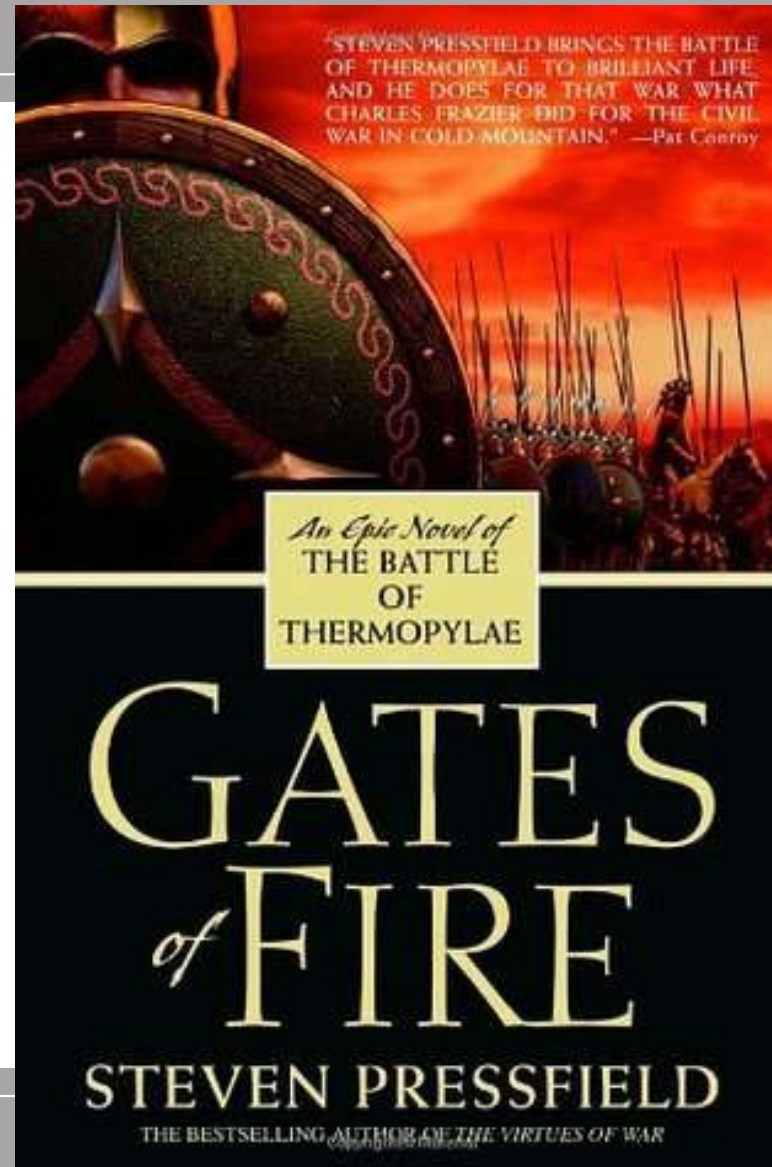

'Discipline is the relentless pursuit of your best self in the Lord. It's the refusal to settle for mediocrity and the unapologetic demand for excellence in every step you take.'

The young man of leadership calibre and competence will work while others waste time, study while others snooze, pray while other play. The emerging leader will without reluctance undertake the unpleasant task that others avoid or the hidden duty that others evade because it wins no public applause.

As the Spirit fills his life, he learns not to shrink from difficult situations or retreat from hard-edged people. He will kindly and courageously administer rebuke or correction when that is called for, or he will exercise the necessary discipline when the interests of the Lord's work demand it. He will not procrastinate, but will prefer to dispatch with the hardest tasks first.
